

February 26, 2026

Dear Rio Tinto Aluminium customer,

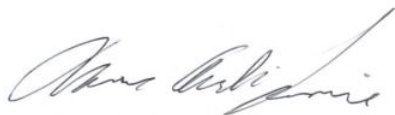

**Re: REACH Regulation - Statement of Conformity**

Rio Tinto's Aluminium division designates that, to the best of its knowledge, the metallic products it produces, identified herein as "articles", are **Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) (EC) No. 1907/2006** compliant with the current version of the regulation as of the date listed. Specifically:

1. We confirm that Rio Tinto fulfills its obligations under the **REACH Regulation**<sup>1</sup>, including the registration, notification, and/or communication requirements related to substances contained in articles.
2. We confirm that articles produced and placed on the market by Rio Tinto, do not contain any of the **Substances of Very High Concern (SVHC)** on the most current REACH Candidate List - with **250 SVHC** substances, published by the European Chemicals Agency (ECHA), in accordance with Article 59(10) of the REACH Regulation (Last updated: February 4, 2026, <https://echa.europa.eu/candidate-list-table>).
3. We confirm that Rio Tinto has published Safety Data Sheets (SDS) in line with CLP, GHS, and REACH requirements, including registration numbers.

Should you have any questions or require further information, please do not hesitate to contact us through Rio Tinto's sales department or email our REACH mailbox at [reachrta@riotinto.com](mailto:reachrta@riotinto.com).

Sincerely,

Marc-André Lavoie, M. Sc., ROH  
**Rio Tinto**
